

Pasta Please!

Ready in **20 minutes**

Age **6+Months**

***Use larger pasta for the adult version!**

Ingredients

- 1 cup Macaroni Noodles
- Half an Avocado
- ¼ cup Parmesan
- ¼ cup Parsley
- 2 Broccoli Florets
- Pinch of Salt and Pepper

Preparation

1. **Macaroni Noodles** cook noodles according to packaging; al dente (save a little water to thin out, breast milk can be used too!)
2. **Avocado** Scoop out flesh and place into a **Cuisinart 3-Cup Mini Prep Plus Food Processor**
3. **Parmesan** add to food processor
4. **Parsley** add to food processor
5. **Broccoli** steam in a small pot of water for 5min until soft. Add to food processor
6. Add salt and pepper to food processor and pulse until all ingredients are combined.
7. To serve baby, mix pasta with Cheesy Avocado sauce. Bon Appetit Baby!

Tips

If Baby does not have any allergies to Nuts you can add a handful to make your very own creamy pesto!
